

Educate Uganda

Education is a gift everyone should receive

In fall of 2006, we took a leap of faith and began a sponsorship program for the orphaned children in Nkokonjeru, Uganda. The children we are helping are primary students (grades 1-7) who have lost one or both parents, the families are impoverished and without help, would not be able to afford the cost of sending their children to school.

Your annual donation of \$25 provides school fees, a uniform and a meal each day.
