

# Educate Uganda

## Education is a gift everyone should receive

In fall of 2006, we took a leap of faith and began a sponsorship program for the orphaned children in Nkokonjeru, Uganda. The children we are helping are primary students (grades 1-7) who have lost one or both parents, the families are impoverished and without help, would not be able to afford the cost of sending their children to school.

**Your annual donation of \$30 provides school fees, a uniform and a meal each day.**
